

Elementary STEM Activity

Topic: Recycling & Environment

Grade Level: 1-4

Objective

Students explore and understand recycling & environment through hands-on learning.

Learning Outcomes

- Understand recycling & environment
- Develop observation skills
- Improve creativity
- Encourage teamwork

Materials

- Paper
- Pencil
- Colors
- Recycled materials
- Classroom objects

Activity Steps

1. Introduce recycling & environment with examples.
2. Demonstrate using materials.
3. Students explore and create.
4. Record observations.
5. Present findings.

Observation Table

| Item | Observation |
|------|-------------|
| | |
| | |
