

Elementary STEM Activity

Topic: Shapes in Real Life

Grade Level: K-3

Objective

Students explore and understand shapes in real life through hands-on learning.

Learning Outcomes

- Understand shapes in real life
- Develop observation skills
- Improve creativity
- Encourage teamwork

Materials

- Paper
- Pencil
- Colors
- Recycled materials
- Classroom objects

Activity Steps

1. Introduce shapes in real life with examples.
2. Demonstrate using materials.
3. Students explore and create.
4. Record observations.
5. Present findings.
