

High School Math & Statistics Activity

Topic: Sequences & Series

Objective

Students explore and understand sequences & series concepts.

Materials

- Notebook
- Calculator
- Graph paper
- Ruler
- Markers

Activity Steps

1. Introduce sequences & series.
2. Solve guided examples.
3. Work in groups on tasks.
4. Record solutions.
5. Present results.

Observation / Notes

| Problem | Solution/Notes |
|---------|----------------|
| | |
| | |
| | |
| | |

Discussion Questions

- What is sequences & series?
- Where is it applied?
- What did you learn?
- Why is it useful?

Extension Activity

Create a real-life example using sequences & series and present.
